April is Distracted Driving Awareness Month.

Please follow these driving tips every time you drive:

- Need to send a text? Pull over and park your car in a safe location. Only then is it safe to send or read a text.
- Designate your passenger as your “designated texter.” Allow them access to your phone to respond to calls or messages.
- Do not engage in social media scrolling or messaging while driving. Cell phone use can be habit-forming. Struggling to not text and drive? Put the cell phone in the trunk, glove box, or back seat of the vehicle until you arrive at your destination.

Make the pledge to:

- Protect lives by never texting or talking on the phone while driving.
- Be a good passenger and speak out if the driver in my car is distracted.
- Encourage my friends and family to drive phone-free.
